Chief Counsel, House Permanent Select Committee on Intelligence, to
25X1 set up a meeting for Thursday, 11 April, to brief him on the Civil Service
reform bill. [] OGC, will accompany me. I asked that
Bill Funk, also on the Committee staff, sit in on the meeting.

25X1 5. [] LEGISLATION Called the Senate
Committee on Governmental Affairs to check on the status of S. 2596,
the "Presidential Papers" bill. I was informed that the bill is pending
but no action is scheduled at this time on it.

25X1 6. [] LEGISLATION Spoke with Ed Gleiman,
on the staff of the House Committee on Government Operations, with
regard to H. R. 10998, the House version of the "Presidential Papers"
bill. Mr. Gleiman had indicated on 31 March that the staff intended to
revise the bill. I asked him about the status of the revision process,
and he indicated that he is half-way through his revision. He volunteered
that, as it is taking shape, the bill would allow the Archivist some leeway
with regard to the release of Presidential Papers. However, the revised
bill will use the Freedom of Information Act as the principal procedural
mechanism re release of "Presidential Papers." Mr. Gleiman indicated
that he would welcome a letter stating our concerns with the bill.

25X1 7. [] LEGISLATION Called the House Judiciary
Subcommittee on Civil Rights, to check on the status of H. R. 10400, the
FBI charter legislation. I was informed that nothing has been scheduled
on the bill at this time.

25X1 8. [] LEGISLATION Called the Senate Judiciary
Committee to ask if a witness schedule had been prepared for the FBI
charter hearings scheduled for 20 and 25 April. I was informed that no
witnesses have to date been confirmed.

International Relations Subcommittee on International Operations to check
on the status of H. R. 10585, a bill to establish a Commission to undertake
a study to determine the feasibility of a "United States Academy for
